

BAND BOOSTERS

DAVIESS COUNTY

Band of Pride

Where do my sponsorship dollars go?

Each year, the band program at DCHS provides quality musical instruction experience unparalleled in other academic areas to over 100 students at DCHS. Our program is growing and our goal is to eventually serve at least 10% of the student body at DCHS. Over 50 performance, both concert and competitive, are given each year and our program provides vital support to our school and community. In order to meet the demands of this ambitious curriculum and keep band affordable for our students and families, our band booster organization must raise over \$50,000 each year. Our current band uniform is nearing the end of its life expectancy. They have been well taken care of by our booster organization, but no uniform is built to last forever. New uniforms for the Band of Pride will cost almost \$30,000. [Sponsorships help!](#)

Approximately 15% of our instrument inventory is in need of repair or replacement. Chief among this need are our concert tubas. We will soon have to replace 4-5 concert tubas at a cost of almost \$30,000. [Sponsorships help!](#)

Each year, we lose a few students who simply can't pay the fees needed to be in band. As a co-curricular elective/extracurricular activity, there is no support for us to help free and reduced lunch students. We would like to be able to provide scholarships to some of these students based on need and merit equally. This would cost about \$5000 each year. [Sponsorships help!](#)

In 2010-2011, a family sponsorship allowed us to award the first Band of Pride Scholarships to two deserving seniors. Support for a continuing college scholarship would cost about \$2000 each year. [Sponsorships help!](#)

These are just a few examples of ways that your sponsorship dollars are spent to support the needs of the Band of Pride. We have great parents and students who work hard to meet the needs of the program and each family makes sacrifices of time and money to be a part of this outstanding organization. [Sponsorships help!](#) to make all these things possible and to help make it possible for the DCHS band program to serve our students, school, and community in even bigger and better ways.
